

EMMANUEL COLLEGE

Carrara

Client

*Emmanuel Education
Year 7 Block*

Architects:

*Hamilton Hayes Henderson
Architects Pty Ltd .*

Part of the BER stimulus package, this project was designed & documented in a compressed time frame. Five classrooms are provided, with bi-fold doors to a broad verandah providing flexibility of learning & usage. The music room opens to the newly created Chapel court, providing a venue for small scale performances & engagement with the broader College community.
